Equipment Overview

Use the Equipment section of your ChromaSystem™ Technical Manual to store equipment reference material. You can customize this section by adding literature you use on a day-to-day basis.

The Spray Equipment Recommendations provide gun setups from a variety of manufacturers for use with DuPont products.

The Infrared Drying/Curing Recommendations provide a description of IR equipment, along with safety tips, helpful equipment features, drying/curing tips and general information. An Equipment Recommendations Chart provides drying/curing information for specific DuPont paint products.
